Dear Sir:

Responsive to the Office Action dated December 3, 2002, please amend the above-identified application as follows:

IN THE CLAIMS

Please amend the claims as follows:

1. (Thrice Amended) A soft link for connecting a first member to a second member, said soft link comprising:

a one-piece flexible body member having a permanently looped first end and a second end; wherein said first end and said second end are removably attached to each other to define a single attachment area for said body member and for connecting [connect] the first member to the second member.

10. (Thrice Amended) A soft link for connecting a first member to a second member, said soft link comprising:
